Dear New Patient,

Please bring the following items on the day of your 1st appointment so that we may serve you better:

- Your driver's license or identification card,
- Your insurance card (s),
- The patient information sheets included here, and
- A list of any medications that you take.

If you have any insurance that is considered an HMO we request that you bring your referral with you at this time. All co-pay payments are expected at the time of service.

We welcome you and will see you soon.

Thank you.
